 Nigeria  Kevin Odeyemi  niveksti_

I am detail-oriented and skilled fullstack developer with over 2 years of experience in designing and implementing scalable web applications. Proficient in both front end and back end technologies, with a strong foundation in React.js and multiple backend frameworks such as node.js and django. Demonstrated ability to collaborate with cross functional teams to deliver high quality, user friendly solutions. Keen problem solver with a passion for staying current on emerging technologies and trends in the industry. Proven track record of successfully delivering projects on time and exceeding client expectations.
